

QUEST ACADEMY
NORTH IDAHO

Parent Contract

As parents at Quest Academy:

1. ***We long for our Eagle to discover a calling that will change the world***, as promised in Quest Academy's mission. We will allow our Eagle to fail early, cheaply, and as often as necessary without intervening, and in the event our Eagle struggles, we will refer to the Parents on a Hero's Journey letter for counsel before reacting.
2. ***We welcome Quest Academy as a self-paced environment*** where Eagles run the studios through the delegation of certain rights by owners and parents, with access to dozens of experts for instruction, allowing Guides to focus on preparing the environment, creating challenges, and asking questions.
3. ***We will celebrate our Eagle's progress in earning Weekly Points, Badges, and Positive 360 Peer Coaching Reviews*** according to a learning plan we create. We will act if needed to remove distractions like gaming, video, or social media, and we will work to lessen resistance to and overcome feelings of victimhood so our Eagle can soar.
4. ***Further, for our own Hero's Journeys as parents:***
 - We will remain lifelong learners and will always each have an active learning project (such as a book or self-improvement project) to discuss with our children.
 - At least one of us will attend at least two of the three Parent Meetings each year where Socratic discussions will focus on our Hero's Journey as parents.
 - We will deliver our Eagle to campus before 8:25am. We understand Eagles who arrive late may not be able to participate in that morning's activities.
